

# WINTON MOTOR RACEWAY

21<sup>st</sup> January, 2018

Dear Winton Raceway Supporter,

Winton Motor Raceway is inviting you to be a part of our upcoming  
**'Winton Fun Day'**  
On Sunday 21<sup>st</sup> January, 2018.

A Fun Day is an opportunity for people over 16 years old to drive around the circuit under controlled conditions. **Children must be at least 16 years old** to be passengers and please be reminded that it is not a day for young people to learn to drive a car.

The Fun Day fee costs **\$100** per competitor.

The Fun Day fee costs **\$50** per passenger.

**Gates will open at 8:00am with scrutineering commencing at 8:15am and a compulsory Driver's Briefing held at 10:00am. The activities will then commence on the Track immediately after the Driver's Briefing.**

To participate at the Fun Day you will have to abide by the rules and regulations of the event:

**Speed Restriction:** all drivers will be limited to **80%** of the potential of both the car and driver. This is not a race. There will be large differences between the speed of each vehicle so be careful. Anyone exceeding the 80% rule or overdriving will be flagged off the track and warned. A second offence will mean that it is home-time for you.

**Scrutineering:** all cars must have a safety check and receive an 'OK' sticker before going onto the circuit for the first time. Vehicles must be roadworthy or race worthy.

**Clothing:** must be non-flammable cotton or, preferably, wool – **no nylon** – covering wrist to neck to ankles. Proper enclosed footwear – non flammable. No thongs or sandals. **All participants must wear a helmet which complies with current Australian Standards.**

**Sessions:** activities will be conducted in sessions of 15 minutes Driver only, followed by a 15 minute session for drivers and passenger. Sessions maybe shorter than 15 minutes, depending on track problems with cars etc.

**Noise:** all vehicles must have an effective muffler fitted to the vehicles exhaust system in a manner which will reduce the engine noise. Maximum noise level permitted is 95dBA.

Also please be careful of other cars, watch out for them and give clear hand signals if you are going to slow down. Pull off and brake early when safe to do so. Do not brake suddenly when cars are following close behind. If you need to slow down, give hand signal and pull out of the way of others.

**Double Carports are also available to hire before the event for a cost of \$30. Contact the Winton Raceway office on (03) 5760 7100 to reserve a spot. Garages are also available to hire for a cost of \$50.**

We hope you can attend and look forward to seeing you on the day of the event.

Kind regards,

**Sarah Ackerly**  
Event Secretary
